### **AFFIRMATIVE DEFENSES**

As a first affirmative defense, the petition fails to allege sufficient facts to state a claim for cancellation.

As a second affirmative defense, the petition is barred by waiver and estoppel, due to petitioner's consent to Registrant's abandonment of application serial nos. 85153981 and 85153958.

As a third affirmative defense, the petition is an abuse of process by petitioner.

As a fourth affirmative defense, due to a long history of repeated misconduct and misrepresentations of fact and law to the Board, petitioner should be barred from participating in any TTAB proceedings in pro per.
